## Important Open-Source people in car accident

*LinuxReviews.org*

Tragedy struck sometime before 09:00 (CEST) on the morning of September 30th as a car with Hans Bakker (mclightje), Edwin Hermans (madeddie), and Sebastian S. (webmind) collided with a truck which has merged into their lane.

They were returning from a trip transporting Richard Stallman (RMS) from [SANE 2004](#) (4th International System Administration and Network Engineering Conference) to Paris. [Richard Stallman](#) got off in Paris and was not in the car at the time of the accident.

**Hans Bakker** did not survive the crash. May he rest in peace.

**Edwin Hermans** is not in critical condition. He has a broken hip. He is in the hospital for surgery.

**Sebastian S** is not in critical condition. He has a broken bone. He is in the hospital for surgery.

[Hans Bakker](#), died 2004-09-30
